

Tumble Bugs Preschool & Pre-K Teachers

“Ms. Debbie,” Debbie Bonomo, Director **Preschool Director, Teacher**

-  Graduate from Wake Tech with a degree in Early Childhood Development
-  12 years *Tumble Bugs* teacher
-  7 years Lead Teacher at *Thomas Ann Nursery School*, North Carolina
-  3 years *Apple Tree Day Care* Director
-  20+ years Professional Nanny
-  Annual CPR/First Aid training

Debbie relocated from North Carolina to Texas in 1999 when her family needed her. This family business was not complete without her. When it comes to raising children, there is very little with which Debbie is unfamiliar. She is a second mother to many children! Debbie’s many years of hands-on experience makes her knowledgeable beyond her years. Children love her, relate to her, and respect her, even upon their first meeting.

“Mrs. Becky,” Becky Huber **Pre-Kindergarten Teacher**

-  Graduated from Elmhurst College with a Bachelor’s Degree in English
-  Substitute Teacher for McKinney ISD
-  5 years Tumble Bugs Pre-Kindergarten teacher
-  Annual CPR/First Aid training

Becky and her husband have been McKinney residents for over seven years. They have 2 children, a boy and girl. She loves children and enjoys working with them. With Becky’s extensive background in English and her love for reading, her passion will help the children flourish in this area. She will be a great asset to the children while teaching them letter recognition and the skill of letter writing. She teaches the importance of self sufficiency which will prepare children for Kindergarten. Becky’s vibrant and caring attitude brings a positive energy to the classroom.

Preschool Mission:

The entire staff at TBG is dedicated to creating a positive, loving, fun and educational learning environment. We ensure that the first preschool experience, for both child and parent, is a successful one. By maintaining small student to teacher ratios, our expert staff is able to give personalized and quality attention to each and every child. It is our mission that all of our students are fully prepared for entering elementary school.
